
Medco Bio Medical College

Admission Criteria

Medco Bio Medical College has obtained an accreditation from the Federal Ministry of Education to train students in the fields of Clinical Nursing, Laboratory Technology and Pharmacy Technology as level 4. In addition to these, it also trains students in BSc Nursing, B.Pharm and Public Health respectively. The College registers students based on the result of 10th grade national examinations for level 4 and 12th grade national examinations for degree programs. The minimum requirement for each level is set by the Ministry of Education accordingly.
